Out Of The Old

One of the first schools established in this area, Churchland has long been known for the high caliber people who pass through its doors.

First established in 1799, this school has been known as the Craney Island School, Sycamore Hill School, and, with the establishment of a post office in the late 1850's, it became known as Churchland School.

The first class to graduate, the class of 1909, consisted of four people-a far cry indeed from the number of graduates of 1955.

PICTURES AT RIGHT: The entrance to our new gymnasium, where new records are set according to old traditions.

AT RIGHT: senior Elaine Steele shows the gift of the class of 1954 to freshman president Phil Underwood.

The theme of this year's yearbook is life in the new building, and the fondest hope of the annual staff is that on the following pages may be seen only those things which bring to mind the most pleasing of memories.

The staff of the '55 edition of "The Trucker" wishes to review life as it has been this first year in the new Churchland High School.

Into The New

In Appreciation...

As a means of expressing our appreciation to the sponsor of the senior class for her untiring efforts on behalf of the school, we, the staff of the 1955 edition of the "Trucker", take this opportunity to dedicate this volume to Mrs. S. R. Schultz. Mrs. Schultz is a graduate of Longwood College, having received a B. S. degree from that college, and has been teaching at Churchland since 1951.

Faculty Members Perform Familiar Tasks

As might well be expected with the acquisition of a new building, many new teachers were needed.

On the next three pages we would like to recognize these new instructors and pay tribute to faculty members who have been at Churchland for some time.

These people have made life during this year as pleasant as possible and have done their best in teaching us.

On these pages we see some of the members of our faculty as they perform several familiar duties.

Administration

To our principal, Mr. Frank D. Beck, and our assistant principal, Mr. Frank M. Clemons, we would like to take this opportunity and express our appreciation for their very able guidance.

Hands, Minds, And Voice Developed Through CLASSES

The curriculum at Churchland offers many opportunities for students to develop special talents (as in the chorus, art, home economics, and shop classes) as well as offering the basic foundation for citizenship through social studies, English, and the more technical classes.

Included in the quartet are Morgan Hill, Rabe Walton, Benny Whitley, and James Albertia. Members of the sextet pictured at the left are: Anna Howell, Annette Edwards, Lorna Bowen, Lovelace Andleton, and Paula Bradley. The quartet is accompanied by Miss Billie Tyler. Accompanist for the sextet is Anna Howell.

The class in chorus has appeared before the student body for several special holiday programs. The class is pictured below. FIRST ROW (left to right): Doris Satterfield, Annette Edwards, Mildred Harris, Sylvia Velez, Anna Howell, Bette Jean, Jimmy Currie, Ray Eaton, Miss B. Tyler, instructor. Organizations Led By Students

On the following pages appear numerous organizations which are indicative of the various phases of school life. These are clubs which promote scholarship and leadership characteristics as well as clubs which promote athletic participation. These organizations have truly made school life more enjoyable and pleasant.

Student activities depicted on the page are (1) student council members making a final check of the council Christmas projects, (2) students attaching locks to the lockers, and (3) students doing research in the library.

Pictured above are some of our busy Student Council Officers as they plan one of the many activities of the year. They are: Richard Deaton, vice-president; Sharon Jersild, secretary; Jim Cunningham, treasurer; Jimmy Jones, parliamentarian; and Miss Fredrika Butt, adviser. Ralph Dixon (right) is pictured as he conducts a meeting of the student body.

Our Student Council Sees Much

Ways and means, grounds, safety, welfare, cafeteria, and handbook committees are a few of the committees which function within the student council to keep the school plant running smoothly. Education...Social And Cultural

Affirmative debaters Page Garrett and Jimmy Bell consult Mrs. Davis concerning a point in their argument while Bob Powers of the negative team looks on. Norman Goodloe of the negative team was absent when the picture was taken.

This year's question for debate is: "Resolved: That the United States should initiate a system of free trade with the friendly nations of the World."

Enthusiasm For Sports Sparked By Cheerleaders

It seems that moving into a new building has provided much added incentive to the boys who have made up the various teams, for Churchland has turned out championship football and basketball teams. We take this opportunity to recognize these teams and their coaches for the fine job they have done in representing school on the gridiron and basketball courts.

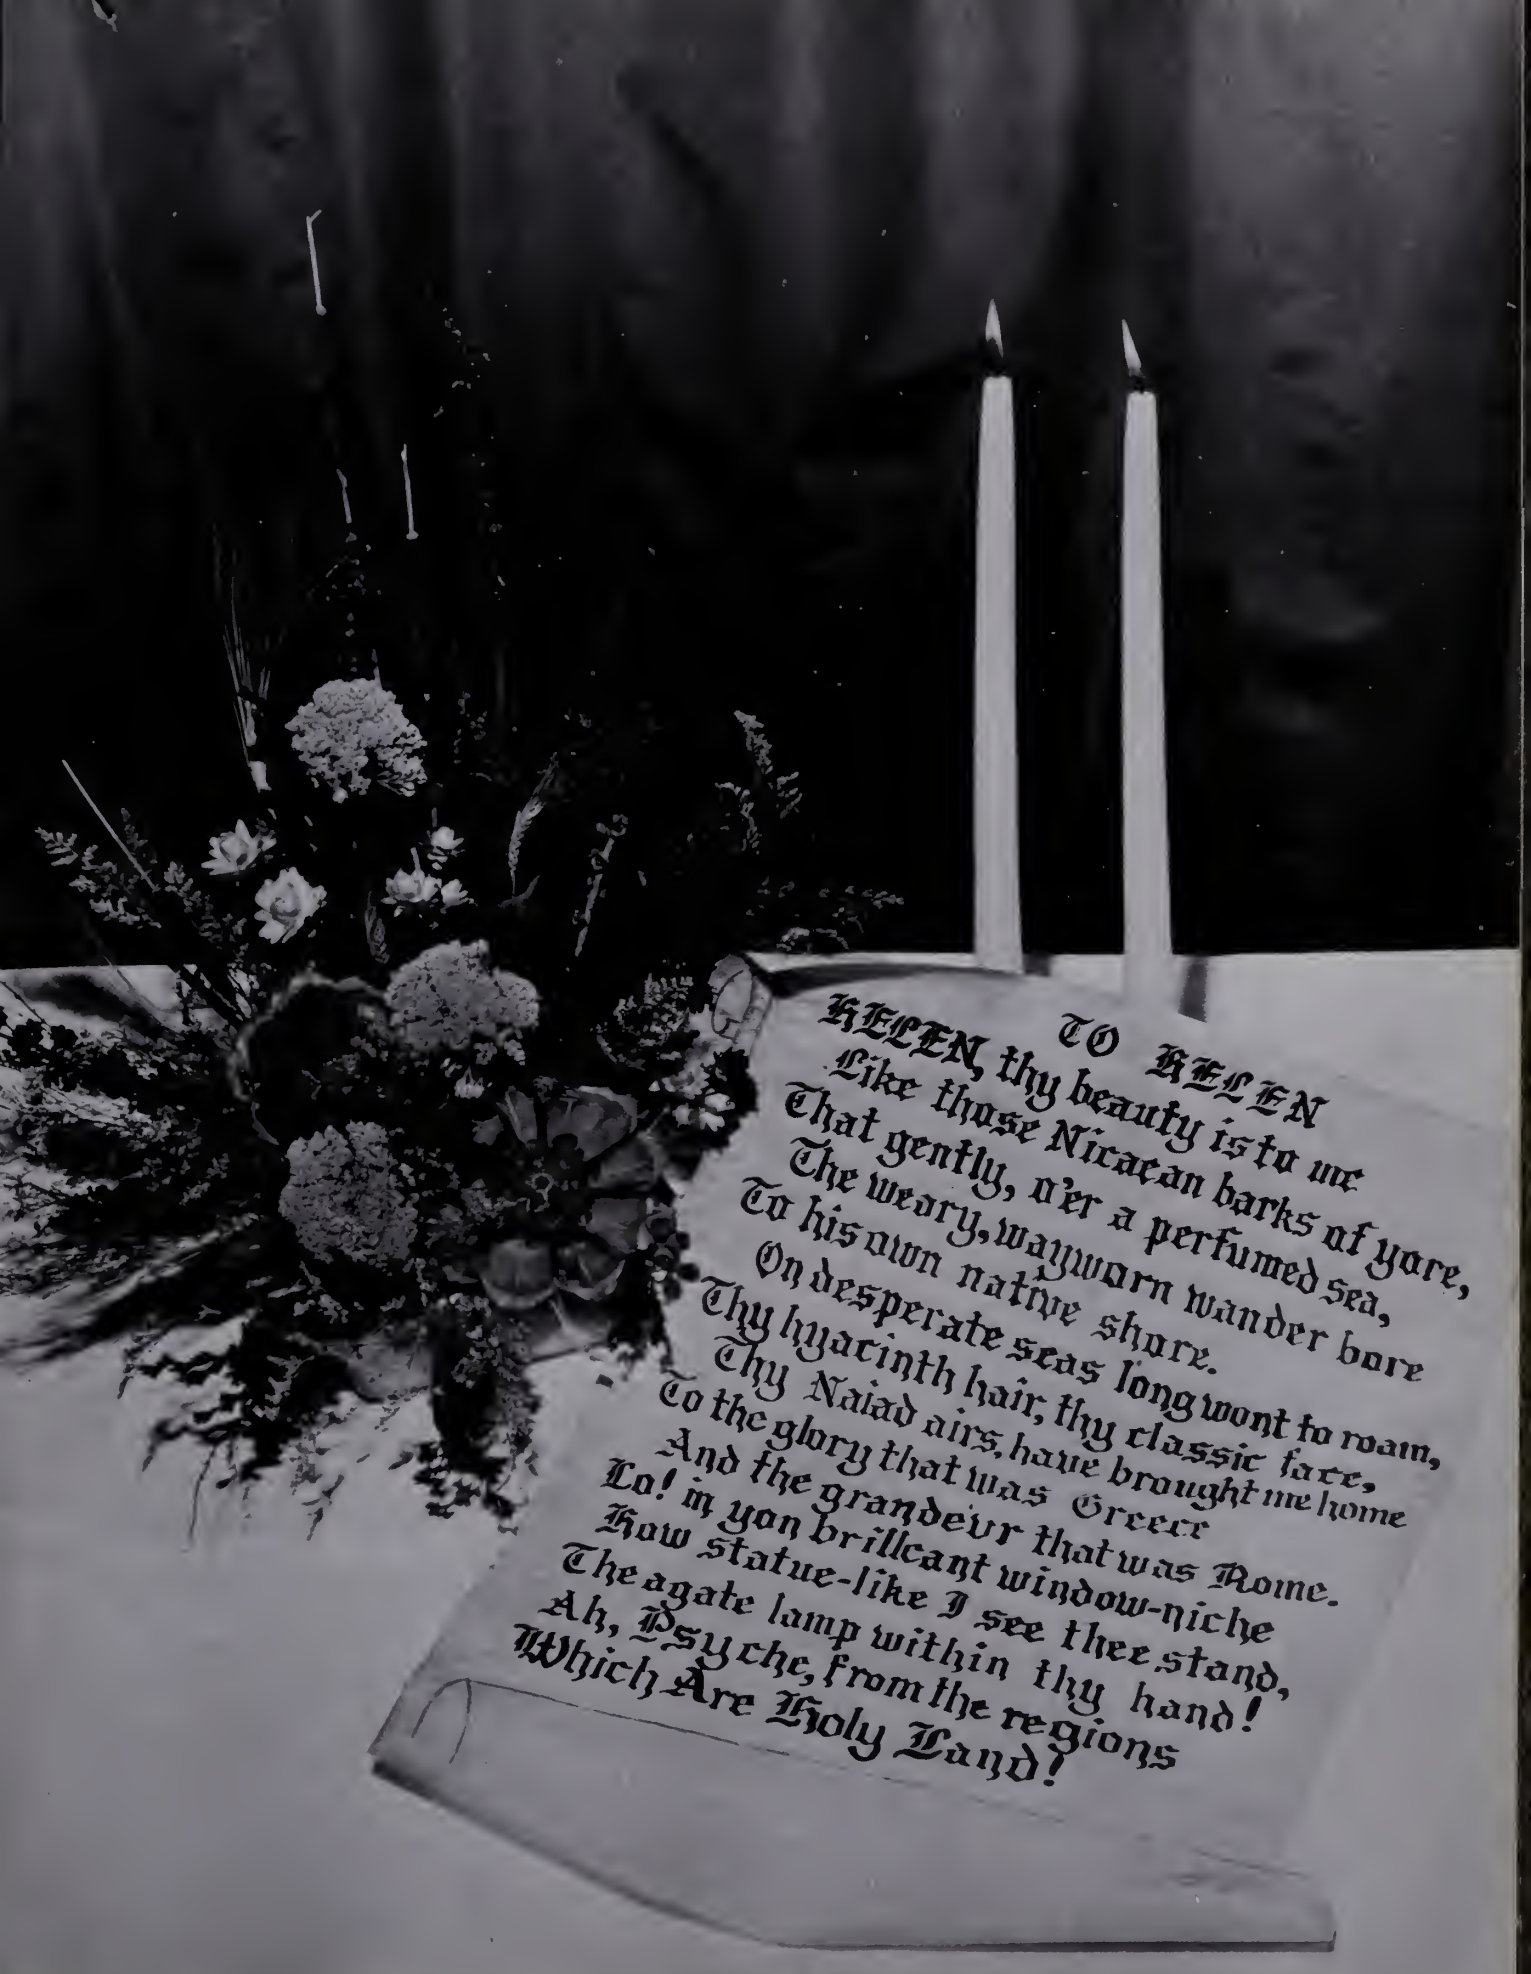
Outstanding Achievements And Events Play Important Role In School Life

School life would be incomplete if students did not take time to have fun at informal parties, such as sock hops, and to recognize individual and team achievement.

On the following pages the staff has attempted to recognize such achievements and events because they have added many pleasant memories to the life of the school.

At right are pictures taken at a school sock-hop--below are pictures of a football party.



TO HELEN

HELEN, thy beauty is to me
Like those Nicæan barks of yore,
That gently, o'er a perfumed sea,
The weary, wayworn wander bore
To his own native shore.

On desperate seas long wont to roam,
Thy hyacinth hair, thy classic face,
Thy Naiad airs, have brought me home
To the glory that was Greece
And the grandeur that was Rome.

Lo! in yon brilliant window-niche
How statue-like I see thee stand,
The agate lamp within thy hand!
Ah, Psyche, from the regions
Which Are Holy Land!

High School Students Present One-Act Plays

Cast of "Boy Meets Family." STANDING: Lancelot, Kenny Dietrick; Ned, Robert Corbell; Mr. Wombly, Steve Tompkins. SEATED: Mildred, Pat Hamilton; Polly, Gayle Davenport; and Vera, played by Judy Smith; Wilhelmina Spivey, who played the part of Polly's mother, was absent when the picture was taken.

The one act plays presented by high school students were "Boy Meets Family" and "I'm a Fool". Both plays were directed by Miss Lolita Diaz.

In the play, "Boy Meets Family", Lancelot plays to meet his in-laws to be. He wants to make a good impression on Polly's family, and in order to do this, he learns one thing that each member of her family likes, but when he meets her family he gets their likes mixed up. He finds out after a hard lesson that people like you best when you are yourself.

"I'm a Fool" takes place in Sandusky, Ohio during the summer at a "trotting and pacing" meet. The stablehand, George, falls in love with Lucy but loses his chances with her because he doesn't tell the truth.

Cast of "I'm A Fool." STANDING: George, Ted Calhoon; Burt, Bob Stanton; Wilbur, Ben Lynch. SEATED: Elinor, Carolyn Lawrence; The Dude, Jimmy Currie; Lucy, June Wells; Mildred, Phyllis Garris. Ola Moore, who played the part of the mother, was absent when the picture was taken.

"I'm A Fool" won a "Distinguished" rating at Charlottesville in state competition.

During the course of the school year, one of the most pleasant tasks that may present itself is that of recognizing outstanding achievements in some of the many phases of school activity. At right we wish to recognize Rabe Walton who was selected "Most Valuable Player" on our championship football team. Below, Donnie Dietrick accepts his award for outstanding workmanship in a shop project as it is presented by a representative of the Ford Foundation.

The staff regrets that it was unable to obtain pictures of Nat Howell, winner of the 2nd District American Legion Oratorical Contest, and of Joanne Hoggard, recipient of the Bland Music Scholarship, the contest for which was held at Cradock.
